ADDRESS IN REPLY (*See* PARLIAMENT).

CHAIRMAN OF COMMITTEES:

Mr. J. J. Cohen elected, 383.

CHAIRMAN OF COMMITTEES (JOHN JACOB COHEN, ESQ.), OPINIONS OF:

Appropriation Bill: The provisions of the bill could not be discussed on the motion that the Chairman leave the chair, 3969.

Cooma to Bombalu Railway Bill: A member was not out of order in referring to a debate of a previous session in the Legislative Council, 2674.

Gun License Bill: A member was not in order in making a second-reading speech on a motion for the restoration to the business-paper of a bill of the previous session, 512; or in referring to other business in detail, 515.

ASSEMBLY (continued):**CHAIRMAN OF COMMITTEES OPINIONS OF (ctd.):**

Industrial Disputes (Amendment) Bill: An amendment similar to one already negatived could not be submitted, 2909; an amendment adding to the words in the definition section was irregular, 2919.

Local Government (Amending) Bill: A member could not submit an amendment similar to, and governed by, one already negatived, 2643.

Police Offences (Amendment) Bill: A question of privilege could not be decided in Committee; but a personal explanation could be made, 220; an amendment to provide for female prisoners being detained in reformatories was within the scope of the bill, and did not necessarily impose any fresh charge on the revenue, 2219.

Prisoners' Detention Bill: An amendment raising an issue that had already been decided could not be accepted, 2090; members could not, on the motion for the third reading, refer to a bill not before the House, 2155; or do more than generally discuss the principles of the bill, 2160.

Pure Food Bill: An amendment involving an additional charge on the revenue was out of order, 2522.

Subventions to Friendly Societies Bill: An amendment which would have the effect of increasing the charge upon the revenue could not be entertained, 642.

Supply: Any matter particularly referred to in any estimates must be debated under those estimates, and no other, 3441, 3909; the discussion must be confined to the subject of the vote, 3724, 3726, 3746; a member could not read from an official document not laid on the table, 3748, 3890.

Sydney Corporation (Land-tax) Bill: It was not necessary that the resolution introduced should be in the exact terms of the message from the Crown, 2699.

Sydney Harbour Trust and Navigation Bill: It was not in order to discuss the administration of the department on the motion affirming the expediency of introducing the bill, 1491, 1494, 1495, 1505.

DEPUTY CHAIRMAN (J. C. L. FITZPATRICK), OPINIONS OF:

Local Government Amending Bill: A member was not permitted to discuss a matter not included in the provisions of the bill, 2594; an amendment dealing with roads was beyond the scope of the bill, 2771; only those sections indicated in the Bill could be amended, 2772, 2773.

Sydney Corporation (Land Tax) Bill: It was not necessary that the Message from the Governor should cover the title of the bill to the extent of mentioning the power proposed to be given to the City Council to establish milk depôts, 2690.

ASSEMBLY (continued):**DISSENT FROM MR. SPEAKER'S RULING:**

Motion by Mr. Arthur Griffith dissenting from Mr. Speaker's ruling of December 4, 1908, *re* matters of urgency, 3337; debated by Mr. Wade, 3339; Mr. Holman, 3341; Mr. Levy, 3343; Mr. Dacey, Mr. Wood, 3344; motion negatived, 3345.

ELECTIONS AND QUALIFICATIONS COMMITTEE:

Mr. Speaker's warrant nominating members of, laid on the Table, 104.

LEAVE OF ABSENCE:

Leave of absence granted to Mr. J. Norton, 319.

MEMBERS SWORN:

10, 2481.

OATH OF ALLEGIANCE:

Commission to administer, 438.

SESSIONAL COMMITTEES:

Committee appointed, 292.

SESSIONAL ORDERS:

Sessional Orders agreed to, 319-338, 381, 1408-1418.

SPEAKER, MR (WILLIAM MCCOURT, ESQ.), RULINGS AND OPINIONS OF:

Adjournment: The adjournment of the House could not be moved to discuss as a matter of urgent public importance the subject of a notice of motion on the business-paper, 556, 805, 885, 970; it was in order to move the adjournment, to discuss a matter relating to the administration of the Industrial Disputes Act, which could not be affected by a proposed amendment of the act foreshadowed by a notice on the business-paper, 1077; the discussion must be strictly confined to the subject brought under attention, 1087; a motion for adjournment to discuss the delay and expense occasioned to intending settlers by the excessive number of appeals against the decisions of the local land boards did not come within the standing order, the subject not being sufficiently definite, 1144; a motion for adjournment could not be moved to discuss the treatment of country fire brigades, seeing that a bill for the amendment of the Fire Brigades Act was the subject of a motion on the notice paper, 1226.

Administration of Mines Department: In making a statement in support of criticisms of the department, an hon. member must confine himself to the subject of criticism, 2378, 2381.

Assent to Bills: Could be reported to the House immediately after meeting at the opening of a new session; it was not necessary to wait until after his Excellency's opening speech had been delivered, 10.

Fire Brigades Bill: A member was entitled, on the motion affirming the expediency of introducing the bill, to refer to matters dealt with by the Minister in his explanation, but not to discuss the details of a supposed bill, 1724; a member could not make a second reading speech, 1725.

2: July to 19 December 1908.

ASSEMBLY (continued):

SPEAKER, MR., RULINGS AND OPINIONS OF (ctd.):

Foreshores of Sydney Harbour: A member could not move a motion of urgency relating to a matter which the House had previously declined to treat as one of urgency, 3238.

Minimum Wage Bill: It was usual on the last day of the session to allow third readings of bills to be taken on the same day as the second readings without the suspension of the standing orders, 3901.

Personal Explanation: Members were always permitted to make a personal explanation, 2075.

Privilege: A statement impugning the honor of a member could not be brought up as a matter of privilege, unless it had suddenly arisen, 11; but it might, if brought forward at the earliest possible moment, be proceeded with, 316, 339.

Servants' Registry Bill: The bill did not interfere with trade, and was not out of order, 3996.

Standing Order No. 49: It was not necessary, in submitting a motion under the standing order, for an hon. member to confine himself to the question of urgency—he must be permitted to place his case before the House, 1658; he should, however, state the case plainly and then argue the question of urgency, 1782; on further consideration, the intention of the standing order was that the ten minutes allowed to a member must be devoted solely to the question of urgency, 2110, 2115, 2553.

Suspension of hon. member for Sturt: The discussion must be confined solely to the motion before the Chair, 2116, 2117, 2118, 2119, 2123, 2131, 2145.

Sydney Corporation (Land Tax) Bill: By giving to the City Council power to establish milk depôts, a bill did not necessarily impose a charge on the revenue; a message from the Crown covered the expenses pertaining to the Bill within reasonable limits, 3000.

Unclaimed Moneys Bill: The bill should have been introduced in Committee and preceded by a message, and was, therefore, out of order, 2270.

Want of Confidence Motion: The discussion must not go beyond the terms of the motion, 2272, 2278, 2285.

Western Lands Act Amendment Bill: A member could not, on the motion for the second reading, discuss generally the administration of the Western Land Board and the Lands Department, 3977

TEMPORARY CHAIRMAN OF COMMITTEES:

Appointment of, 104.

B**Barren Jack Irrigation Area:**

Adj. moved by Mr. Ball to discuss the question of the resumption of land within the reclamation area of the Barren Jack Irrigation Scheme at present values; motion ruled out of order, 970; motion by Mr. Burgess that a second motion for adjournment be entertained, negatived, 970.
