SAME BILL.—

*Same clause.*

Question proposed—That the clause, as amended, stand part of the Bill.

Motion made (*Mr Lewis*) to leave out on lines 19 to 23, page 3, the words, “a rate fixed by the Board not exceeding such rate as the Board may, with the concurrence of the Treasurer, from time to time determine for the purposes of this paragraph” with a view of inserting the words “the prescribed rate” in lieu thereof.

Motion made (*Mr Jackson*) to leave out on lines 19 to 23, page 3, the words, “fixed by the Board not exceeding such rate as the Board may, with the concurrence of the Treasurer, from time to time determine for the purposes of this paragraph” with a view of inserting the words “not exceeding two and one-half per centum per annum” in lieu thereof.

The Chairman indicated to the Committee that in order to preserve the rights of Mr Jackson it would be necessary to test the Committee on a token of Mr Lewis' amendment. If the question that the words proposed to be left out stand part were negatived, the whole of Mr Lewis' amendment would be held to have been agreed to and the remaining words covered by the amendment would be struck out without any further question being put, and Mr Jackson's amendment would accordingly be lost.

Question proposed—That the words “a rate” stand part of the clause.

Mr Lewis moved, That the Chairman do now leave the Chair, report progress, and ask leave to sit again To-morrow.

Question put—

Committee divided.

Question proposed—that the clause, as read, stand part of the Bill.

Motion made (*Mr Lewis*) to leave out on line 8 the word "subsection" with a view of inserting the word "subsections" in lieu thereof.

The Chairman ruled that the Honourable Member for Bulli, Mr Jackson, was not in order in debating on the amendment before the Committee the full details of subsequent amendments of which he had received a copy.

Whereupon Mr Jackson moved, That the Chairman leave the Chair to report a Point of Order, and ask leave to sit again so soon as the Point of Order has been decided by the House—

The Point of Order is, That the Chairman was wrong in ruling that the honourable member for Bulli was not in order in debating the question of methods of charging interest on the amendment before the Chair.

Question put.

## PREMIER

Question proposed—That there be granted to Her Majesty, a sum not exceeding \$48,488,800, for Premier, for the year 1970-71.

*Point of Order:* Mr Jackson submitted that the words "get back to your hammer and sickle" used by the member for Monaro to the member for Kembla, should be withdrawn.

The Chairman said that it has always been the practice of the Chair that if a member is present and does not take offence at a remark another member cannot take offence on his behalf.

Whereupon Mr Jackson moved, That the Chairman leave the Chair to report a Point of Order, and ask leave to sit again, so soon as the Point of Order has been decided by the House—

The Point of Order is, That the Chairman was wrong in ruling that the member for Monaro need not withdraw a remark that the member for Kembla is a Communist and further that members of the Opposition should get back to the hammer and sickle.

Question put—That the Chairman leave the Chair to report a Point of Order and ask leave to sit again so soon as the Point of Order has been decided by the House.
