CLARIFICATION OF EVIDENCE

Dear Ms Faehrmann

I wish to clarify the evidence I provided to Portfolio Committee No.7 during the Environment and Heritage hearing for Budget Estimates on 1 March 2022.

At the hearing, the Hon Walt Secord, MLC asked me how many nominations were submitted in the nomination round for the Blue Plaques program, held in late 2021.

During the hearing, I answered “There were 761 nominations through the nomination process.” This is recorded on page 43 of the uncorrected transcript.

I wish to clarify this response. Heritage NSW in fact received 763 nominations during the nomination round.

I trust this information is of assistance. If further clarification is required, please contact my office on (02)

Yours sincerely
